For more than 35 years, Chesapeake Urology has built a reputation in Maryland as the provider of the highest quality care and the most advanced techniques for treating men, women and children with urologic conditions.

- Same and next day appointments for urgent conditions as needed.
- Conveniently located offices and ambulatory surgical centers.
- The premier urology practice in Maryland and the Mid-Atlantic Region with more than 50 urologists and four radiation oncologists in 19 offices and 14 ambulatory surgery centers.
- State-of-the-art Prostate Center for Radiation Therapy.
- Advanced Continence and Pelvic Pain Center.
- Chesapeake Urology For Kids (Pediatric Urology)
- Women’s Personal Health (Women’s Urology)
- Cutting-edge technology through clinical trials and research.
